

SUMMER SCHOOLS AT BRISTOL

‘The programme was exceptional from top to bottom. The people you’ll meet, the places you’ll see, the activities you’ll do, everything about it is tailored for an amazing experience.’

Discover an enriching summer experience

Our taught and research-based summer schools offer exciting short-term Study Abroad experiences across a range of disciplines. Providing hands-on, immersive, and career-ready experiences, these programmes are a great alternative to spending a semester or year abroad.

All of our exciting undergraduate summer school courses carry academic credits. When you pass your academic course, you’ll receive a University of Bristol transcript. You can present this to your home university to request credits towards your degree.

Welcome to Bristol

As a summer study destination, Bristol has it all. It’s well known as one of the UK’s most vibrant and cultural cities – with its grand buildings, leafy parks, and a famous harbourside alive with restaurants. It’s also the home of world-famous Banksy murals, and festivals that spring up all summer long. And at the Centre for Study Abroad, you’ll be right in the heart of it all.

Accommodation

Accommodation is included in our programme fee, so you don’t have to worry about finding a place to stay in Bristol. You’ll stay in a single room in a Bristol Hall of Residence with shared

bathrooms, communal spaces and a catered meal package. Our secure residences have laundry facilities on-site and 24/7 duty teams.

Our exciting leisure and social programme

Your programme fee includes a varied leisure and social programme, designed to help you relax, enjoy the city and get to know your fellow summer students. Activities might include dinners out, a local boat tour and evening socials. We’ll also take you on day trips to explore some of the fabulous cities in the region.

Support and community

Our overseas students often talk of a sense of belonging in Bristol from the moment they arrive. With a warm welcome from staff and students, helpful summer mentors on hand, and the friendly local community, Bristol will quickly feel like home.

As a registered University of Bristol student, you’ll also have full access to our Student Wellbeing and Health Services, our Student Visas team and our international cultural hub, the Global Lounge.

SUMMER SCHOOL PROGRAMMES

You can select a single programme from either session, or choose to combine a programme from session 1 with another from session 2.

Qualify for a 10% discount

We offer a single 10% programme fee discount for either:

- early-bird applicants who apply by 1 March 2025;
- students from International Partner Universities and Study Abroad student mobility partners;
- students who apply for two consecutive programmes; or
- groups of 10 or more students from the same university.

Students who apply to our summer school programmes through an agent will not be eligible for a fee discount.

Please view our website for a current list of International Partner Universities and Study Abroad student mobility partners.
